

EDUCATION

Year	Degree/Exam	Institute	CGPA/Marks
2028	4YRS B.S	IIT Kharagpur	8.49 / 10
2024	CBSE	Jawahar Navodaya Vidyalaya, Bangalore Urban	86.4%
2022	CBSE	Jawahar navodaya vidyalaya, Bhadrak	82.2%

AWARDS AND ACHIEVEMENTS

- Secured the **Gold Medal** in the prestigious **Open IIT Data Analyst competition 2026**, finishing first among top analytical teams across the campus
- Selected as a **Dakshana Scholar**, a highly prestigious **national talent scholarship** program providing intensive academic training to gifted students
- Awarded the prestigious **Odisha State Scholarship (Bruti)** following exceptional **academic performance** in the state-level talent search assessment
- Cleared the highly competitive **Jawahar Navodaya Vidyalaya Selection Test**, securing academic admission among the **top students** in the district

PROJECTS

- Super Market Application | Full Stack Developer | Personal Project** [May '26]
Developed and deployed a **comprehensive retail management system** to streamline **inventory tracking** and daily **billing operations**
- Engineered a **robust backend architecture** to manage extensive product inventories, ensuring highly accurate and seamless **daily transaction processing**
 - Integrated **secure authentication protocols** and a **dynamic billing interface** to optimize the **customer checkout experience** and efficiency
 - Designed an **intuitive dashboard** for **real-time sales monitoring**, utilizing **relational databases** to maintain **data integrity** across operations
- Dream Home Solutions | Co-Creator &Strategist | Academic Project** [Autumn '25]
Formulated and pitched a **comprehensive home solutions business model** to modernize digital property and **community management**
- Spearheaded a **robust entrepreneurial framework** to assess core market demographics, ensuring highly accurate **digital marketing execution**
 - Designed **custom digital branding assets** and a dynamic **Discord community banner**, significantly optimizing **user engagement experiences**
 - Authored an **in-depth business plan** for real-world **startup scaling**, leveraging strategic methods to maintain strict **brand identity**
 - Synthesized **customer pain points** into actionable service features, presenting final project deliverables to prove **startup viability**

ENTREPRENEURIAL EXPERIENCES

- Market &Customer Analyst | Naviira Jewels** [Mar '25 - Present]
Analyzed **market trends** and consumer data to optimize **digital sales strategies** for a newly launched **e-commerce jewelry brand**
- Generated **80K in sales** during the **Raja festival campaign**, maximizing revenue via **targeted analytics** and **strategic outreach**
 - Conducted **market research** on modern accessory preferences, optimizing **product placements** for rings and **exclusive collections**
 - Evaluated **digital engagement metrics** to refine social outreach, enhancing **brand visibility** and **customized shopping experiences**
 - Monitored **competitor pricing** and promotional campaigns to identify **market gaps**, driving data-driven decisions for **inventory launches**

INTERNSHIPS

- JEE Mentor | Dakshana Alumni Network (DAAN) | Remote** [Jun '25 - Jul '25]
Delivered intensive quantitative mentorship and strategic exam guidance to high-potential engineering aspirants
- Guided high-potential scholars through complex **mathematical and analytical concepts** to significantly elevate their core **problem-solving metrics**
 - Evaluated comprehensive **student performance metrics** through rigorous testing to identify core **learning gaps** and design highly **targeted strategies**
 - Simplified rigorous **engineering syllabus topics** into accessible **learning frameworks** to enhance **critical thinking** and accelerate their workflow

POSITIONS OF RESPONSIBILITY

- Invigilator &Coordinator | Dakshana Alumni Network** [Dec '25]
Managed the execution of **national talent selection examinations**, ensuring a streamlined testing environment for identifying **gifted scholars**
- Conducted the **Dakshana Scholar Test** at JNV Jaipur as an **invigilator**, overseeing **exam logistics** and ensuring **secure testing** for candidates
 - Managed **student identity verification** and registration, ensuring strict compliance with **testing protocols** to maintain **examination integrity**
 - Coordinated with **administrative staff** to facilitate smooth **crowd control** and resolve real-time queries during the **evaluation process**

SKILLS AND EXPERTISE

Core Competencies: Product Strategy | Entrepreneurship | Data-Driven Decisions | A/B Testing | Market Research | Agile | Product Lifecycle
Languages and Libraries: SQL | Python | C++ | Pandas | Matplotlib | Seaborn | Data Modeling | A/B Testing Frameworks | Statistical APIs
Software/Tools: Jira | Figma | MS Excel | Power BI | Google Analytics | Tableau | Notion | Git/GitHub | Visual Studio Code | Metabase
Soft Skills: Cross-Functional Leadership | Strategic Vision | Communication | Stakeholder Management | Analytical Problem-Solving

COURSEWORK INFORMATION

Programming and Data Structures	Probability and Statistics	Linear Algebra
Statistical Inference	Introduction to Entrepreneurship	Introduction to AI/ML
Machine Learning	Deep Learning	Advanced Calculus

EXTRA CURRICULAR ACTIVITIES

- Represented the school team in the highly competitive **NVS Cluster Meet** for Kho-Kho, advancing to the **regional-level championships**
- Actively engaged in **athletics, swimming, and badminton** for physical conditioning, while maintaining a strong personal habit of **reading**
- Actively contributed to **Illumination 2026**, collaborating with peers to design and execute large-scale traditional **diya wire structures**
- Pursued a passion for **singing and music appreciation**, actively exploring diverse acoustic profiles and **vintage musical genres**
